Dear all, 12.12.2025

//////// Schedules for IMC 2026 ////////

The first schedules are published!

- **CERN** video conferences for LHC Masterclasses: Please check the schedule carefully and let us know if any corrections are needed. Attention: Several video conferences start at 13 or 14 CET, they are marked in the schedule. If you plan to join the programme and have not registered so far, you still can. Registration continues by email. (Uta Bilow)

- **Fermilab** video conferences for ATLAS, CMS, MINERvA, and NOvA Masterclasses: The schedule is still under construction. A preliminary version should be ready by the middle of next week. Please check carefully and let us know if any corrections are needed. Please note not only dates but times, which are in U.S. Central Time. (To convert to your time zone, try this Time Zone Converter.) Registration continues by email. (Ken Cecire)

- For **Particle Therapy** Masterclasses with GSI VC, registration remains open until early 2026. (Yiota Foka)

- For **Belle II** Masterclasses with KEK VC, registration remains open until early 2026. (Rok Pestotnik)

- For **Pierre Auger** Masterclasses, there are a few slots still available and registration remains open until early 2026. (Raul Sarmento)

/////// Masterclasses on the UN International Day of Women and Girls in Science ///////

February 11 is the International Day of Women and Girls in Science (IDWGS). We encourage institutes to arrange a Masterclass for high school girls. Join us in empowering the next generation of female scientists!

- **LHC Masterclasses for girls**: CERN will offer videoconferences on Wednesday, Feb 11, 2026. Registration at https://forms.gle/RKJ25Gm4bsQSgShx5. Deadline is Jan 4, 2026.
- **Particle Therapy Masterclasses for girls**: GSI will offer videoconferences on Wednesday, Feb 11, 2026. Registration at google spreadsheet

This is the last circular for 2025, so we already wish you a wonderful and relaxing holiday season.

Kind regards,
Uta, Ken, Raul, Rok and Yiota
