16.10.2026

Dear all,

Registration for International Masterclasses 2027 will open on Friday, October 30, at 12:00 CET. Here is an overview of the registration process.

We offer:

1. **CERN** videoconferences: ALICE, ATLAS Z and W, CMS, LHCb – schedule (pdf)
2. **QuarkNet at Fermilab** videoconferences: ATLAS Z, CMS, MINERvA, NOvA – schedule (pdf)
3. **GSI** videoconferences: Particle Therapy
   - Registration: https://bit.ly/PTMCspreadsheet (Excel table)
   - Anonymous registration: https://bit.ly/PTMC2027 (Google form)
4. **Pierre Auger** videoconferences: Auger Masterclasses – schedule (website)
5. **KEK** videoconferences: Belle II – will be announced later

Registration process:

- You will receive the registration links by email on Friday, October 30, at 12:00 CET.
- Registration is on a first-come, first-served basis. Each videoconference can accommodate a maximum of five institutes.
- Each registration is a fixed booking; reservations are not possible.

More details:

- Registration closes on Friday, November 27, for CERN and Auger Masterclasses, and on December 11 for Fermilab. For PTMC, registrations remain open at least until 11 February 2027
- Preliminary schedules will be published afterwards.
- Late registration may still be possible if places are available.
- Registration for the International Day of Women and Girls in Science with CERN videoconference on February 11 will be announced separately.

Please do not hesitate to contact us in case of any questions. The sooner, the better.

Reminder: **World Wide Data Day** is coming up on November 10. Registration for teachers and their students is open until November 3. We are also looking for videoconference moderators. Moderator registration is open until October 26. To learn more, please visit the W2D2 website or email Ken.

Kind regards,
Uta, Ken, Marko, Raul, and Yiota
