13.11.2026

Dear all,

The online registration for International Masterclasses 2027 has been going for 2 weeks. Many institutes have already signed up, but there are still open slots for all measurements. Details on registration see below.

1. Masterclasses with CERN VC: schedule (pdf)
Early slots available: We offer a limited number of ATLAS and CMS VCs starting at 13:00 or 14:00 CET, particularly for institutes in time zones where the regular CERN VC starting time (16:00 CET) is less convenient.
Book your preferred date using the links below:

- ATLAS Z: https://cern.ch/xqode
- ATLAS W: https://cern.ch/y6bw8
- CMS WZH: https://cern.ch/qop3g
- LHCb: https://cern.ch/sjzjb
- ALICE Strange Particles: https://cern.ch/2jjdw
- ALICE R_AA: https://cern.ch/adg33

How to use the CERN VC booking tool:
(1) Follow the link for your chosen measurement.
(2) Click on the coloured triangle of your preferred date in the calendar.
(3) In the **User** field, enter your email address. Leave the **Password** field blank and click "Log in".
(4) Enter your full name, institution, and city.
(5) Click "**Register**" to complete your booking.
You will receive a confirmation email within a few minutes.
Booking rules:

- Registration is on a first-come, first-served basis.
- Each videoconference can accommodate up to five institutes.
- All bookings are binding. Tentative reservations are not possible.
- The booking form will close on Nov 29. After that date, registration via email will still be possible, subject to availability.

2. Masterclasses with Fermilab VC: schedule (pdf)
ATLAS Z, CMS, MINERvA, NOvA: https://quarknet.org/imcreg27
How to use the Fermilab VC booking tool:
(1) Follow the link to the booking tool.
(2) Fill out the first eight items.

(3) For each of the five weeks plus “Extra Days in April”, choose your available videoconference dates and times or “None of these”.
(4) Finish and choose the “Submit” button.
(5) After you submit, scroll up to find an acknowledgement and links to edit your booking or add another booking.
Please fill out the form separately for each booking if you have more than one.

3. Particle Therapy Masterclasses with GSI VC
Registration is now open! Please select your preferred slot(s) using one of the following options:
- Google spreadsheet: Your registration is visible to other participating institutes.
- Google form: Your registration is not visible to other institutes.

4. Pierre Auger Masterclasses with Malargue VC: schedule (webpage)
Registration is now open! Please check your preferred date and make your registration by sending an email to augermasterclasses@lip.pt. All information is available at: https://augermasterclasses.lip.pt/

5. Belle II Masterclasses with KEK VC: schedule (webpage)
Registration is now open! Please check your preferred date and make your registration (see instructions in the yellow box on the webpage).

Registration for Masterclasses on the **International Day of Women and Girls in Science** with CERN videoconference (February 11, 2027) will follow in December.

Kind regards,
