Dear all,

////////// **CANCELLED: IMC 2020 Videoconferences** //////////

Since we last wrote, the number of Masterclasses cancelled has increased and the COVID-19 crisis has deepened. Out of caution for our students and the community and out of respect for our moderators, we have taken the following decision: **all further IMC 2020 videoconferences are cancelled beginning this Wednesday 18th March.** We realize that many institutes will want to reschedule Masterclasses and videoconferences. IMC Central Coordination is developing a plan for this; however, the progress of the pandemic and input from others will influence the final shape and timing of this plan and, even, whether we can implement it at all. We will inform you of progress on this. Please send us any questions and comments you have. We thank you for your patience, understanding, and dedication.

Kind regards,
Uta Bilow + Ken Cecire
