Dear all,

The online registration for International Masterclasses 2018 (IMC18) has been going for ~ 2 weeks! The majority of institutes have already signed up, but there are still open slots for all measurements. Due to the high demand, we have added slots for CMS and ATLAS W in the CERN videoconferences. Sign up here:

CMS WZH	https://doodle.com/poll/79w2xssfa7bibu69

1. Please register with the name of your institute and city.
2. Your entry is a fixed booking with no further confirmation from our side.
3. CERN video conferences are always from 16 – 17 CET.
4. More time slots for CMS WZH and ATLAS Z are available in the Fermilab video conferences. Special arrangements are also possible.
5. If you plan to participate in the program ***without joining a video conference***: Do not use the doodles to register, but send a separate e-mail.
6. The doodles will be closed on Nov 20 and we will create a preliminary schedule. Registration after this date is still possible, depending on available slots.

Documents with the current overall schedules are available for video conferences with [CERN](#) and [Fermilab](#).

Special information for those who are interested to hold

Masterclass activities on the UN International Day of Women and Girls in Science:

These will be arranged on Feb 12, 2018, see [here](#). The registration will open in ~ 2 weeks.

Please do not hesitate to contact Ken (kcecire@nd.edu) or Uta (uta.bilow@tu-dresden.de) in case of any question.

Kind regards,
Uta + Ken
