

22.01.2021

Dear all,

**//////// Schedules for IMC 2021 //////////**

The schedules for International Masterclasses 2021 are now published at <http://cern.ch/go/Fh7n> as a central entry point. There you can find details on

- LHC Masterclasses with **CERN** videoconference
- LHC and MINERvA Masterclasses with **Fermilab** videoconference
- Belle II Masterclasses with **KEK** videoconference
- Particle Therapy Masterclasses with **GSI** videoconference

Please check the schedule carefully and let us know if any corrections are needed. All entries represent fixed bookings – if you have registered, your place in the videoconference is reserved for your students. If there are multiple entries for your institution, please let us know if you will use them all or, if not, which you intend to delete.

If you plan to join the program and have not registered so far, you still can! Registration continues by e-mail, so please do not hesitate to contact us.

Kind regards,  
Uta + Ken
