

15.09.2017

Dear friends and supporters of International Masterclasses,

It is our pleasure to inform you of the dates for the next round of International Masterclasses!

1. The period for IMC18 has been set to **Feb 15 – March 28, 2018**. CERN videoconferences will be scheduled throughout this interval, except Sundays.
2. Fermilab videoconferences will be within these dates, **March 3 – March 24, 2018**.
3. Masterclass activities on the UN International Day of Women and Girls in Science will be arranged on **Feb 12, 2018**.
4. In addition, World Wide Data Day will take place over the 24 hours UTC of **Nov 14, 2018**. Details and registration for “W2D2” will follow separately.

Please begin to consult the calendar for your institution. You might also want to contact teachers who can check with their schools so that you can identify likely dates for your Masterclass.

More details on the registration procedure will follow in October.

Kind regards,
Ken Cecire + Uta Bilow
