

08.03.2019

Dear all,

We saw a smooth start of IMC19 this week! Stay tuned until your event is scheduled and follow our useful information, coming regularly with the Friday circulars! Btw, you can always visit the archive at <http://cern.ch/go/jWp6> to browse through the past circulars.

////////// TWITTER //////////

International Masterclasses are on Social Media. Our hashtag is #LHCIMC / #lhcimc. Use it on our social media channels, Twitter or Instagram! We hope you will use the hashtag to communicate your Masterclass experience to your region and the world!

You will find more ideas at <http://cern.ch/go/7DXd>.

////////// MODERATORS FOR YOUR VIDEOCONFERENCE //////////

This week, new volunteers that will moderate the IMC video conferences participated in orientations at CERN and Fermilab to prepare for their tasks. They are excited to meet your students in the Vidyo linkup.

Are you curious to see who you will meet in your video conference? Have a look at: <http://cern.ch/go/8CBI> for CERN moderators and <http://tiny.cc/fnalmod19> for Fermilab moderators.

Kind regards,
Uta + Ken
